FSM Diagrams & AI Implementation Details

- Pride Monster: Idle → Patrol → Create Footprints → Chase Player → Jumpscare
    - Implementation: Patrols along predefined waypoints. After 8/10 footprints are cleaned by player, triggers footprint creation at Idle points.
- Greed Monster:
  Idle → Patrol → Knock Shelf → Chase Player → Jumpscare
    - Implementation: Patrols along predefined waypoints. Knock down Lifted shelf by the player, only triggers when FSM passed by the shelf.
- Envy Monster: Idle → Patrol → Chase Player → Jumpscare

– Implementation: Patrols along predefined waypoints. FSM runs really fast but is balance with long idle time.

Game Objective

- Find the mop and clean all the footprints.
- Find the right Candy Bar amongst the pile in the convenience store.
- Lift Knocked down shelf around convenience store.
- Complete all task to Escape.

Game Hack

- Horror convenience Store: Dark and Hellish theme the Mop is located at the other end of where the player is spawn behind 2 locked doors.
- The Correct Candy pile is located at the fruit Section 2nd closest to the toilet.
